

“Best Horseshoe Event of the Year”– Sue Snyder

TEAM WORLD

Team World is a unique event in which horseshoe players from their home U.S. state or Canada form teams to compete for the Team World title. The first Team World event occurred in January 1985, at the Pitchin’ Palace in Sturtevant, Wisconsin. The event was called the Canadian-American International Friendship Open, or “Can-Am”. The concept of the event came from original Tournament Director, Tom Roanhouse, and Bob Fanjoy of Hamilton, Ontario, Canada. Dale Lipovsky introduced these two men to each other at the World Tournament in Huntsville, Alabama in 1984. That conversation evolved into an event that would have players representing Canada and the U.S. in some friendly horseshoe competition with national pride on the line. The “Can-Am” was a success at the Pitchin’ Palace. The name changed to Team World in 1988. The Pitchin’ Palace closed its doors after the 1989 summer horseshoe-pitching season.

The event moved to its current location that includes 24 portable courts inside the Edwards Activity Center at Telfer Park in Beloit, Wisconsin in 1990. Earl Paulson replaced Tom Roanhouse as Tournament Director and held the position for the next 29 Team World tournaments, retiring from the post in 2019. Team World has included a committee along with the Director(s) since its beginning. The committee has included former NHPA officers Ralph Dykes and Dick Hansen. The Beloit Horseshoe Club also provides incredible support for the event. Many participants consider Team World to be the best horseshoe event of the year. Most agree that no other event is run as well or is quite as fun to participate in. Everyone should consider participating in Team World. There truly is no event like this one!

Team World is held each year on the Friday, Saturday, and Sunday following Mother’s Day in May. Participating teams consist of (4) players made up of any combination of adult division(s) (Men/Women/Elders) from Canada or from the same U.S. state. There is a maximum limit of (3) short distance pitchers allowed on each team. The entry fee is \$200 per team. Teams are assessed a scorekeeper fee of \$1.25 per player, per game, when teams arrive to check in. Teams do have the option of including a 5th player on their team with no additional entry cost to the team. This 5th player can be from any division (Men, Women, Elders, and/or Junior Boys/Girls) except Cadets, provided the combination does not exceed the maximum limit of (3) short distance pitchers. The event is limited to 24 teams. Teams with the lowest combined entering ringer percentage from a U.S. state with multiple teams entered may be denied entry if more than 24 teams or an odd number of teams enter. Each team plays all opposing teams in a round robin format. The (7) teams finishing with the most wins after round robin play move on to an elimination playoff to determine the winner of the event.
